

Support for businesses that pay little or no business rates – all businesses

The government will provide additional Small Business Grant Scheme funding for local authorities to support small businesses that already pay little or no business rates because of small business rate relief (SBRR), rural rate relief (RRR) and tapered relief. This will provide a one-off grant of £10,000 to eligible businesses to help meet their ongoing business costs.

You do not need to do anything to access this scheme. Your local authority will write to you if you are eligible for this grant.

Any enquiries on eligibility for, or provision of, the reliefs and grants should be directed to the relevant local authority.
